WELCOME

Welcome to the N.S.S.A.'s 9th Annual World Vintage Skeet Championships. We are excited to have been selected as host of the 2009 Championships.

In addition to the traditional Skeet Championships events, we are offering skeet side matches for Game Guns, Hammer Guns, and 16 gauge guns. You may also wish to try our 5-stand and sporting clays programs as well.

We hope that you will participate in every event while you are visiting. Equipment is limited to “vintage style” firearms, specifically side-by-side or pump-action shotguns. In keeping with the period theme, the use of sub-gauge tube sets will not be permitted.

Practice information: practice rounds of Skeet, Modern Skeet, or Trap are available Wednesday through Saturday for \$6.00/round of 25. Sporting Clays practice is available for \$20/50 targets .

Good Shooting!

The National Skeet Shooting Association was founded in the early 1930's and headquartered in San Antonio, Texas. The National Skeet Shooting Association is a non-profit organization owned and operated by its members.

With nearly 20,000 members, the NSSA is the largest organization in the world dedicated solely to the sport of skeet shooting. Membership is represented by a Board of Directors and an Executive Committee that employs an Executive Director to manage NSSA affairs.

The NSSA is dedicated to the development of the sport at all levels of participation and vows to create an atmosphere of healthy competition and meaningful fellowship within its membership. Shooters who want to compete can enter fun shoots and skeet shooting tournaments. The NSSA also offers the hunter a recreational target shooting sport that will strengthen hunting and gun safety skills and extend the "hunting" season.
